Information from Principal Wright- We have been informed that we are losing one STAR program next school year, but gaining a KIDS Autism program and an early childhood AM/PM program. The early childhood program would have about 8 students with IEP's and 12 general education students from the neighborhood. Four-year-olds would be the priority, then 3-year-olds with 24 students in each half-day class.

Budget- Possibly available for the February meeting.

New Carpet- May be installed before the last day of school.

Next Meeting: Thursday, February 6th, 2020

-The date of the meeting may need to be adjusted depending on when budget information is available.

Public Comment Period: Joni Wright- Now that we have DreamBox, Khan Academy, and the new reading program and we did MAP testing in December; are we seeing any positive results yet? Principal Wright said that preliminary results for upper grades did not look great so far and that conversations to address deficits will happen with administration and teachers to come up with a plan.

Meeting adjourned at 4:12 p.m.
